About

Dirosa craft melodic, surf-tinged pop-rock with a cinematic pulse — songs shaped by the sea, dunes and late-night drives. Recent sessions have honed a modern, radio-ready sound: intimate vocals over shimmering guitars, warm bass, and crisp grooves. Available for festivals, venues and select showcases across the UK and beyond.

Highlights

- New single “Dawn” available on all platforms.
- Members with extensive live and studio experience; friendly, professional, easy to work with.
- Originals + tasteful covers; full electric or stripped-back sets available.
